ANNUAL ELECTIONS AT BIG COLLEGE DINNER

Swan, Nichols, A. Miller, Henty, '16, Jones and Donohue, '17, Elected to Jobs.

DR. RISTINE FOR TREASURER.

Dr. Ristine Takes Position Left Open by Resignation of Dr. Hastings. Risley Speaks.

Business of the annual spring meeting of the Undergraduate Association was transacted at a College Dinner in Commons last night, with the usual elections to Track, Baseball and Musical Clubs. Many of the selections were close, particularly that of assistant manager of Track. Besides being fruitful of business, the fellows had lots of amusement furnished under the able instruction of Shrimp Hersey, who made a faint-hearted attempt to make Steve Martindale into a goat, but didn't have to go more than half way in getting away with it.

The first important business was the acceptance of Dr. H. R. Hastings' resignation as Secretary of the Association. He has held this office for several terms and the College recognized the able service he has done by passing a vote of thanks. Prof. F. H. Ristine was elected as his successor.

By a vote of 104 to 56, Swan, '16, was elected over Nichols, '16, for the managership of Football, after McNair, '15, and Miller, '16, had resigned from managership and acting managership, respectively. Swan will at once become manager for the coming year, inasmuch as no candidates from 1915 had tried out for the position. Nichols will be assistant manager.

In the most exciting election of the evening J. A. Jones, '17, was elected assistant manager of track for 1915, winning over Pendleton and Stackhouse by a narrow plurality. In view of the strenuous competition which these men put up, Manager Dieterlen recommended three men, an unusual number. The vote was Jones 67, Pendleton 62, Stackhouse 31.

Following came the election for manager of Musical Clubs, in which the present manager, Marsh, recommended Miller and Robson, '16, on the basis of their candidating during the season just passed. On ballot. Miller won, 95 to 62.

Prof. Hastings read his annual report of the finances, following which Coach Floyd Risley of the track department was called to the floor.

Floyd did not have much to say, because he was too happy for words, but held forth to the delight of the track men and the College in general. He started in by making the remark that he didn't know what to say, which led to complications and he had to explain by expressing what he felt about the track situation. "We have had a very good season," he said, "and I want to thank the men who have come out on the track to work this year." There were cheers for that, for it certainly has been work for the track men. Hamilton let it be known most emphatically that three wins and a second were just what was to be expected with Coach Floyd Risley and the 1914 track team.

The members of the Junior Class who were elected to Pentagon last Wednesday night are as follows: John G. Erhardt, of Brooklyn; Dudley B. Kimball, of Boonton, N. J.; Felix L. LaForce, of Kansas City, Mo.; Frederick P. Lee, of Rutherford, N. J.; Karl R. McNair, of Warren, O.

Square elected to membership Reginald A. Clarke, of Brooklyn; Gerald E. Dieterlen, of New York; Wallace B. Johnson, of Utica; Walter E. Ogilvie, Jr., Richmond Hill.

LEE AND ERHARDT FOR TRACK AND BASEBALL

Re-Election of Track Captain and Election of New Baseball Capt. Takes Place Yesterday.

Frederic P. Lee, '15, of Rutherford, N. J., was unanimously re-elected captain of the track team, and John G. Erhardt, '15, ofBrooklyn, was elected captain of baseball at meetings of the two teams yesterday afternoon. "Fritz" has already led the track team thru the most successful season in the history of the College, and has himself scored sixty-eight points in four meets. Erhardt has played first base thruout the entire season, with very few errors chalked to his account.

Two new officers have been appointed to the Y. M. C. A. board this week, Hudson Covert, '16, chairman of the committee on work in Utica, and Lyon, '17, chairman of the Publicity committee.

Last Sunday evening Barnes, '14, Schwenk, '15, and Mattoon, '16, conducted services at England, and Fenn, '16, and Jones '17, assisted at Franklin Springs. Dayton, '14, delivered an address at Kirkland. For the most part the meetings were well attended.

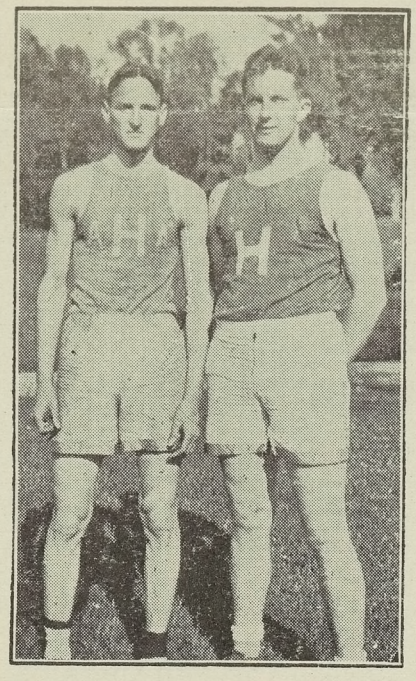
SECOND PLACE FOR HAMILTON IN BIG MEET

Intercollegiates Result in Victory for Colgate With Fifty-Eight and a Half Points.

FOUR RECORDS BROKEN.

Jessup, Lee and Shepard, of Hamilton and Gould of Colgate, Break Old Records. Phenomenal Quarter.

Struggling with a grim tenacity against the best athletes in upper New York, the Hamilton Track team knew last Saturday for the first time this season what it was to take second place, when Colgate was victorious in the annual Intercollegiate Track Meet with a score of 58 1-2 points. Hamilton took 41 points and second place, while Union was third with a record of 38 1-2 points, St. Lawrence fourth with 5 points, and Hobart fifth with none. Hamilton fought with a fierceness that threw a scare into the Colgate camp. At one time the tally stood: Colgate 30, Hamilton 27. But Hamilton was unable to stop Colgate's star long-distance men and jumpers, and the end of the meet



On left, Shepard, '17, who established a new intercollegiate record in the pole vault at 11 ft. 5 in. On right, Jessup, '14 who made a new record in the hammer throw at 135 ft. 2 in.

found them seventeen points behind the leaders.

Four intercollegiate records were broken, three of them by Hamilton athletes, and one Hamilton record went, when Capt. Fritz Lee broke the tape in the 440-yard dash in the phenomenal time of 49 4-5, chopping two seconds from the previous Hamilton record, and 1 1-5 seconds from the intercollegiate. Jessup and Shepard broke the intercollegiate records in the hammer throw and pole vault, Jessup with a heave of 135 ft. 2 in., and Shepard with a vault of 11 ft. 5 in. Bernstrom of Colgate was the other man to break a record, running a mile in 4 min. 33 2-5 sec. The meet was by far the most hotly contested in the history of the league, Colgate,

BASEBALL PENNANT WILL BE HAMILTON'S

For the Second Consecutive Season the Buff and Blue Nine Cops the N. Y. S. I. A. U. Flag.

UNION SECOND IN RACE.

Garnet Team Has Standing of .500. St. Lawrence is Third and Hobart Fourth. Colgate Ineligible.

As the result of the well-earned string of baseball victories which has made this season unusually successful, the Hamilton team is to receive the New York State Intercollegiate Athletic Union baseball pennant for the second time in succession. Last year Hamilton was awarded the pennant for the first time in several seasons, and this spring has recaptured it with an even large percentage of victories in the number of N. Y. S. I. A. U. games played. Hamilton's nearest rival in the pennant race is the Union team, who were the only ones to defeat the Buff and Blue.

Besides Hamilton there are four other baseball teams in the union this season, Colgate, Union, Hobart and St. Lawrence. Colgate, however, forfeited her place in the pennant contest by declining to take on Hamilton this year. The rules of eligibility require that games shall be played with at least two other N. Y. S. I. A. U. teams, while Colgate has met only Union.

Won 4 Out of 5 Games.

Hamilton has played five games with N. Y. S. I. A. U. teams, four of which have resulted in victories for the Buff and Blue. The games played are as follows:

May 1, Hamilton 13, Hobart 8.
May 8, Hamilton 9, St. Lawrence 8.
May 9, Hamilton2, Union 3.
May 23, Hamilton 16, Hobart 1.
May 25, Hamilton 16, St. Lawrence 1.

This gives the team a standing of .800, the highest in the League. Of the other teams, Union has a standing of .666, having won from Hamilton and Rochester and lost to Colgate, St. Lawrence has only one victory to her credit, having defeated Hobart, and the latter college has a standing of .000. Union will play another game with Colgate, but a victory over that institution would not give the Garnet team the pennant. The pennant is officially awarded to the winner at the first N. Y. S. I. A. U. meeting held after all games between members have been played off.

BOWDOIN-WESLEYAN LEAGUE?

Whether Hamilton will continue in the three-cornered debate league with Bowdoin and Wesleyan, or a match with other and large colleges will be arranged, is as yet a matter of conjecture. Bowdoin has requested that this season's contract be renewed, but Professor Lewis has decided not to make definite arrangements until College opens in the fall. It is very possible that two leagues will be formed, so that Hamilton will debate four colleges instead of two.

—The Faculty-Senior baseball game will be played on Thursday.

BIG DELEGATION PLANS ON NORTHFIELD

Large Number of Hamilton Men Expect to Attend Annual Convention in Three Weeks.

In three weeks the Student Conference at Northfield will be in full swing. A number of men from Hamilton will be enjoying the best week of a year, and, in some cases, the best in many years.

A week of Northfield is an experience which too few men appreciate. The various activities of the Conference bring one into constant association with five or six hundred men from the colleges of the northeastern United States and of Canada. Friendships are formed there which are long remembered. The Hamilton men will be in tents again this year, and unless things are abnormally quiet there will be some exciting humor incidental to such abode. The afternoons will be open for recreation, and if a few more loyal athletes sign up there will be a good sprinkling of Hamilton victories in baseball, tennis and track. The night of the big celebration is the time when "Carissima" and the long yell never fail to excite spontaneous applause from a crowded auditorium; and after that, around a mammoth bonfire, a thousand or so delegates and visitors pause to wonder at a weird "Royal Ga—boon."

Behind all this good-fellowship is a wholesome and strong Christian atmosphere. Morning and evening, in the big Auditorium, are heard addresses which can hardly be surpassed. No one can but enjoy hearing men like Dr. John R. Mott and Dr. Robert E. Speer speak, and a private interview with such men is a rare privilege.

Arrangements for tents, etc., must be made very soon, and it is desired that all men who consider going shall notify the President of the Y. M. C. A. at once.

—Last Wednesday evening at 8 o'clock Prof. Frank H. Wood gave a banquet to his Clinton Club of boys in Commons Hall.

—A beautiful memorial window was dedicated last Sunday to the late Dr. Charles Elmer Allison, '70, in Dayspring Presbyterian Church, Yonkers, N. Y. Mr. Allison was the author of a history of Hamilton College.

A Word About Examinations.

Examinations, vulture-like, are descending upon the Great-Unprepared-Student-Body. The time has come, as the walrus so inimitably had it, to think of many things. The students are being very forcibly reminded of the words of a certain wise man: "Let us watch well our beginings, and results will manage themselves."

There is a true story of a Hamilton undergraduate who, on the eve of the last Exam. week, was asked where he was goig that evening. The other men had been bemoaning the fact that they must "bohn" all night. The gentleman in question said "I'm going to the Shubert. Nothing tomorrow but exams." He stood high honor in the finals, too.

Another man was a "grind" the first part of the term. He studied all the time. But after a while he sailed along with only a moderate amount of work.

It's all in the start. Such a man gets the first lesson; really gets it. if it takes two or three hours. The next one takes fifteen minutes less. Fundamentals right, and he is safe. Fundamentals unmastered, some of us flounder along all year. Oliver Wendell Holmes once said that everyone is endowed with practically the same amount of brains; that the best mind is only a fraction of an idea better than the worst, and that the trouble with most people is that they are such intellectual non-combatants that they won't use them. Which is encouraging and suggestive.

If **Life** were to revise and localize the words of the wise man, they would read: "Let us watch well our preparation, and exams. will take care of themselves."

* * *

Another Word.

Life is sure that Sir Roger de Coverley would agree that there is much to be said on the other side of this examination question. It is the faculty side, and what is reasonable to expect from them. Review Week at Hamilton College has become almost a thing of the past. An instructor, when asked the other day if he planned to continue advance work thruout the week previous to examinations, said: "Certainly. Review Week is a prep. school idea."

Last year the faculty refused to consider the exempt examination system chiefly on the grounds that examinations serve to collect and crystallize a man's knowledge about a subject. Review Week is the time when this collection and crystallization should take place. Otherwise a very harmful and useless "cramming" results.

A proud young instructor once approached Chancellor Canfield of the University of Nebraska and told him that he had just held such a stiff examination that sixty out of a class of one hundred had failed. The Chancellor asked the exuberant young teacher: "If I gave you a hundred cattle to drive to Chicago, and you came and told me that you had driven them so fast that sixty had died on the way, do you think I would ask you to drive any more cattle?" The instructor guessed not. "Well," said the Chancellor, "I guess I won't have you drive any more students."

* * *

LIFE is strong for College "sings." But the serenade that the track men who were trying to sleep in South College received last Friday night did not help the men win points the next day, and it didn't say much for t e intelligence of the singers.

* * *

Sumer Training for Football.

To the following communication from Captain LaForce of the football team, urging gridiron candidates to start training during the summer, **Life** cannot restrain from prefixing an "editor's note." Summer training is half the battle in football. A man who returns to College in the fall with muscles as hard as nails is worth a half-dozen of the kind of men that smoke their last cigarette in the Clinton car on their way back to College in September, and require two or three weeks to get in condition. Last season Ogden surprised the College with his phenomenal and sustained work in the backfield; he had been swinging an axe in the backwoods during the previous summer. F. Lee, who had been working on a farm for a couple of months, could stand a season of football in spite of the fact that he weighs under a hundred and forty pounds. In fact, there was not a man on the team who did not show plainly either his training or his lack of training If Hamilton has really entered into a renaissance of athletics, now is the time to start preparation for the next football season.

* * *

To the Editor of Life:

By the time that this issue of Hamilton **Life** has come from the press the baseball and track seasons of 1914 will be things of the past and the College will be able to look back on them with a great deal of pride The next thing that we shall take up in the line of athletics is football, and it is upon this subject that I wish to say a few things to the College body.

We want a winning team. That's certain. Now among the two hundred men that we have in College there is good material for a football team if that material will report on Steuben Field in the fall. We can not have a winning team unless we have the men out there on the field. As I have said there are enough men in College to make a good team, but every year we run up against the difficulty of dragging men out. It seems to cast a dark reflection on that College Spirit of which we boast, when we have to beg, plead and threaten to get men to support the College in this branch of sport, and yet that is just what we have to do each year. There are just three groups in which able-bodied men who do not come out for football may be classified: Those who are afraid of the game, those who are so deficient in College Spirit that they do not care, and those who are forbidden to play by their parents. The last class is very small. The men who do not come out, altho physically able to do so, can choose either of the remaining categories. It is up to the College and up to the crowds to get the men out.

Another thing is the physical condition that the men must be in when they report for practice in the fall. They must be ready to start hard work. This means that all men who expect to make the team must give up tobacco and alcohol by the tenth of August at the latest and start to get their muscles in hard condition to start early work in the fall. Show some of that far-famed Hamilton Spirit. It's here.

Just let this sink in and think it over during the summer. Coach Reynolds wants fifty fighters here on September 12th.

Midg, when his girl told him that she was all run down, did the sensible thing. He wound her up in his arms.

Super (rapping on the desk): "Order! Order!!"

Hank Holt (absent-mindedly): "A blue-ade and a couple of sinkers."

Bill Marsh circled the bases the other day. He asked a Soph what were the three most used words in the English language. The Soph said, "I don't know."

"Absolutely correct," says Bostwick.

J. V. A. Weaver is alphabetically the last man in the class of 1914.

Oh, Weave! Oh, you comic suppliment!

B. Little's girl works for a living;
That loafer does nothing but whittle.
And yet his girl flares up if anyone dares
To bemean or belittle B. Little.

Apropos of Spring Dances.

(Gleanings from our contemps., whose female residents have recently visited Hamilton College dances.)

"Miss Virginia Dare, one of our city's most popular young ladies, is at present a guest of the Psi U. Sorority, Hamilton College. This is only one of the honors which have been conferred upon Miss Dare recently." —Binghamton R——.

"Our society column will be om-itted for the next few days, as Miss Blackbird, the editress, is visiting at the Psi U. dance-fest, Hamilton College. We might add, as we one-step to press, that Miss Blackbird writes that she has just gone to the pension with G. Pott. to take lunch."

—Lafayette (Ind.) News.

(Special to Spice.)

"Miss Mayme Marguerite Estelle Jones, of this city, was granted a leave of absence for three days last week from Woolworth's to attend a dance at the Gypsy Lodge with Reg. Audley-Clarke. Her place is being filled by Miss Clarisse Smythe-Lefferts O'Shaunessey.

Loose Change—out of her tight skirt into her kimona.

—Dr. Stryker last Wednesday evening preached the ordination sermon in the First Presbyterian Church at Watertown, when Earnest J. Weekes, '08, of Watertown, was ordained pastor of that church.

A Communication.

Too late for Spice has come one more little gleaning. This is from the Nyack News.

"Mary Louise Schmidt, who attended the Emerson Dance at Hamilton College writes as follows to this paper:

"Dear News: Please put in your columns that I have learned the Kitchen-Schwenk. It is Patton-ted.

RUSHED TO COMPLETION.

New Library Under Cover. Will be Ready for Use in Two Months.

When the students troop joyfully back to the Hill again next September for another year's work, they will find the new library building not only fully completed, but the library installed and in running order, with many conveniences which have never been possible in the old building. The work of construction will be finished soon after Commencement and the library moved over to its new home in July. During the summer it will be open for the use of the students of the summer school, in addition to the customary one hour a day thruout the holidays.

The increased space and improved facilities of the new building will both make the task of the librarians in keeping the books in order much simpler, and will make the location of special material by the students much easier. In the old building thousands of volumes, on account of lack of space, had to be kept in the stacks on the upper floors, out of their regular order. All reference books will be kept on the first floor in the new location, and in their numbered order. The greater number will be in the large stack room, accessible only to the librarians. These will be the volumes which are least often required for use. The best and most up-to-date books will be placed in the smaller stack-rooms, to which students have admission, and on shelves in the reading room. This number amounts to about 10,000 volumes, including most of the reference sets of periodicals.

The reading room will afford ample space for forty men to work at once. It will probably be fitted with individual desks or tables, to accommodate those who wish to study there. It will be lined with shelves on both sides, and will contain the files of current magazines.

FRED TOERNER HAS BEEN GOOD BASEBALL COACH.

This Season's Diamond Director Has Had Large Share in Developing Penant-Winning Team.

To Fred Toerner, baseball coach for the past season, is due a great deal of the credit for producing the best baseball team in the history of Hamilton College. Mr. Toerner's work has been most systematic, and fits well in the story of his already enviable baseball career. The Coach is well known in baseball circles as a speedy pitcher.

Coach Toerner

After graduating at C. C. N. Y. and spending two years at Yale, he became so famous as a pitcher that he was nicknamed "Cannonball" Toerner. He was unable to participate in college baseball because of having previously played semi-pro. ball, but soon after leaving Yale he made a name for himself with the Bronx Athletics. He has pitched for various other semi-professional clubs, but for the past three seasons he has been with the New York Edion Company, one of the fastest teams of that class in the country. He expects to play with them again this year during the summer months. It was at the suggestion of Captain Royce that Toerner's services were engaged this spring to coach the Hamilton team, and this year was his first experiment been with the New York Edison Comprobable that Toerner may be re-engaged as coach for next season.

—McGibeny and McLean, '14, will teach next year at Beirut College.

Six Seniors Will Compete Wednesday Evening at Stone Church.

Tomorrow evening the Stone Church in Clinton will be the scene of the 59th Clark Prize Exhibition. Promptly at eight o'clock the first speaker will be called to the rostrum by Chairman Lewis. The prize will be awarded by vote of the faculty and announced immediately after the exhibition. Rev. Willard P. Soper, '04, the new pastor of the church, will offer the prayer before the exercises.

Among the six contestants for this, the oldest speaking honor of the College, there appears no one man who stands out as excelling to any extent the ability of the others. For this reason the exhibition is expected to be a close and good one. Booth will speak on "The Monroe Doctrine in the 20th Century"; Carmer on "Sir Thomas More"; Burns and Marsh on "St. Francis of Assissi"; Cole on "The Problem of the Ex-Convict"; and Williamson on "The Concert of the Powers."

—The last meeting of the Lit. Club was held in Prof. Ristine's rooms last Thursday evening. Leavenworth, '14, read an appreciation of John Synge. Carmer, '14, read a paper on "A Servant in the House" by Kennedy, and "The Great Divide" by Moody. Informal discussion on the Irish Renaissance followed.

—Frank D. Westcott, '81, died at his home in Utica on Tuesday morning.

A REAL timber-topper this Velvet. It has hung from the timbers of the warehouse for over two years. It's only by comparison that Velvet is the smoothest.

HAMILTON DROPS GAME TO SPRINGFIELD Y. M. C. A

Loses Its Third Game of the Season to Best Team on Schedule, 8 to 4, in Hard Hitting Contest.

ROYCE PITCHES GOOD BALL.

Team Fields Loosely, However, While Springfield Has Air-Tight Aggregation.

The first defeat that Hamilton has sustained on her own field this season occurred last Friday when the fast ball players from the Springfield Y. M. C. A. College batted in eight runs to the home team's four. Captain Royce was handicapped by a lame back and lacked control, the visiting batters securing a total of fourteen hits from him. Their third-sacker, Nelson, secured five hits in five times at bat, his record being rivalled only by that of Royce himself, who got four hits in four times up.

The home team put up a rather inferior article of ball on the whole, the faults appearing not so much in errors as in lack of alertness on the bases, in some cases approaching positive stupidity. The fielders were slow in covering the ground at times, their work contrasting strongly with the snappy and sure playing of their older and more experienced oppon ents from the training school.

Two Runs for Hamilton.

The game started auspiciously for Hamilton, when in the first inning Campbell dropped McLouth's fly and allowed Royce and Rothensies to score. In the second the visitors began to hit, knocking in their first run. In the third they repeated. Whelan's double again turning the trick as in the previous round. Another score was choked off by Miller's good work at the plate, where he caught Whelan on Cheese's throw. In the same inning Hamilton lost a chance to score by poor base running, Griffith and McLouth both getting caught running for the plate.

Hamilton got the lead again in the fifth on Steve's double and Ogden's fly. Another chance to score was lost when Griffith missed the signal for the squeeze play and Higgins was caught off third. In the next inning Springfield tied the score, and in the seventh some effective hitting gave them two more runs. Higgins running for Cheese in this inning threw away a good chance when he let himself get nabbed between first and second. The eighth was uneventful, but in the last round the visitors came back with a final wallop for three runs, "Jug" performing his own peculiar and unique flop in center field at the crucial moment. Hamilton made one more tally in this inning, Steve's double scoring Gow.

Springfield Strong.

Altho the work of the Hamilton team was woefully ragged at times, the fact must be taken into consideration that they were playing against an exceptionally strong team whose superiority made the slips of the home team more costly than they would have been under other circumstances. The team at its best might easily be a match for Springfield, but that best was wanting Friday.

ANNUAL ELECTIONS AT BIG COLLEGE DINNER

(Continued from p. 1)

ant managership, Donohue, '17, ran ahead of Bristol, '17, 92 to 68. Rushmore, '16, was elected assistant manager of Lit., and Henty, '16, assistant manager of Charlatans. Mowris, '16, was the other candidate in the Charlatans election. McMillan, '16, was unanimously elected director of Intramural Sports for the coming season.

J. V. A. Weaver then announced a change in the manner of lections to the Lit. Board, which will be in the future by Faculty Committee on the merit of articles printed and not merely on amount. Pending this election, D. A. Woodcock, '15, was made temporary editor of that publication.

"Carissima" signalled the close of the evening all too soon.

Previous to the College Smoker last evening, the Executive Council met in a short session and awarded Track and Baseball "H"s to twenty-three men as follows:

Track.

1914: Jessup, Leavenworth, Lee.
1915: F. Lee, Potter, Keddy, Higbie.
1916: Banks, Robinson.
1917: Woolnough, Shepard, Boyce, Squires, Brockway.

Baseball.

1914: Royce, Ogden.
1915: Erhardt.
1916: Higgins, M. Gow, A. Miller, Griffith, McLouth.
1917: Rothensies.

MUSICAL CLUBS ELECT.

Erwin R. Goodenough, '15, of Jamaica, L. I., was elected leader of the Glee Club, and Geoffrey A. Ogilvie, '16, of Richmond Hill, N. Y., leader of the Instrumental Club for the coming year by a vote of the Clubs last Tuesday morning. Goodenough was acoompanist of this year's club, composed the Tutti Frutti, and supervised a part of the drilling of the Club, and so is particularly well fitted for the position. Ogilvie, besides being an expert with the banjo, is the biggest fun-producer on the Clubs.

SECOND PLACE FOR HAMILTON IN BIG MEET

(Continued from p. 1)

Hamilton, and Union all being represented by unusually strong teams.

Captain Lee of Hamilton, Adams of Colgate, and Baker of Union did the stellar work of the afternoon, Lee taking thirteen points and making his season's quota sixty-eight counters.

Intensely Fought.

The meet was intensely fought from the first heat of the 100-yard dash until the last jump in the running broad. Not a point was conceded until lost. Hamilton carried off firsts in the pole vault, hammer throw, quarter-mile, and hundred-yard dash, altho the judges called the hundred a tie between Adams of Colgate and Lee of Hamilton. As in the meet last week when Hamilton defeated Union in Schenectady, Baker of Union did marvelous work, taking firsts in both hurdles, the broad jump, and tieing for first in the high jump, and third in the pole vault. He scored half the points registered to the Garnet team. For Hamilton, Higbie was one of the sensations of the meet, taking second in the high hurdles and fourth in the low. Potter took second in the 220-yard dash, pushing Adams of Colgate, the winner, to the limit of his speed. The race was run in 22 1-5 sec., so that Potter easily equalled Hamilton's record of 22 2-5 sec. Woolnough came up strong, throwing the hammer 115 ft. for third place in that event. In the half-mile Squires sprinted too soon and was forced back to third place, Gould of Colgate taking first in 2 min. 3 4-5 sec., and T. Lee nosing in for second place. Hamilton did not place in the mile, altho Brockway ran a game race. In the high jump Colgate and Union divided the points. This event was won at a heighth less than Banks has done previously this season, but the broken cartilage in his heel is still bothering him, and he was unable to go over 5 ft. 3 in. The best that Boyce could do in the two-mile run was fourth place. Bernstrom of Colgate took the event in 10 min, 6 sec. Jessup scored 8 points for the Buff and Blue, taking, besides first in the hammer throw, second in the shot put.

Phenomenal Race by Lee.

Some very pretty races featured the meet, particularly the quarter-mile, in which Lee came within 1 1-5 seconds of the intercollegiate record held by Reidpath of Syracuse. Lee got off to a good start, and led the field the entire distance. He was never pressed, and in case he had been running against Reidpath might very probably have chopped a second or more from his record. Eight minutes later Lee was called into the finals of the 100-yard dash, which he ran in 10 1-5 sec. In the 220-yard dash Potter pressed Adams of Colgate to the limit, beating Fritz, who took third

Two Other Records Broken.

Jessup was the big point winner in the field events. He threw the hammer 137 ft. 7 in., but it was found that there was a slope of six inches from the circle to the place where the hammer landed, so later he made another throw on level ground of 135 ft. 2 in. This beats the previous record by ten feet. In the shot put Ainsmith of Colgate was the successful contestant. Shepard was an easy winner in the pole vault, taking the event at a heigth of 11 ft. 5 in.

100-yard dash: Lee (H) and Adams (C) tied for 1st; Mallen (U) 3rd; Morrison (U) 4th. Time 10 1-5 sec.

220-yard dash: Adams (C) 1st; Potter (H) 2nd; Lee (H) 3rd; Morrison (U) 4th. Time 22 1-5 sec.

440-yard dash: Lee (H) 1st; Beaman (St. L) 2nd; Dent (U) 3rd; Mundie (C) 4th. Time 49 4-5 sec. Record.

Half-mile run: Gould (C) 1st; Lee (H) 2nd; Squires (H) 3rd; McKay (C) 4th. Time 2 min. 3 4-5 sec.

One-mile run: Bernstrom (C) 1st; Gould (C) 2nd; Hoffman (U) 3rd; Steward (C) 4th. Time 4 min. 33 2-5 sec. Record.

Two-mile run: Bernstrom (C) 1st; Williams (C) 2nd; Ferguson (St. L) 3rd; Boyce (H) 4th. Time 10 min 6 sec.

120-yard hurdles: Baker (U) 1st; Higbie (H) 2nd; Cassidy (C) 3rd; Mallen (U) 4th. Time 16 2-5 sec.

220-yard hurdles: Baker (U) 1st; Cassidy (C) 2nd; Mallen (U) 3rd; Higbie (H) 4th. Time 26 1-5 sec.

High jump: Baker (U), Peterson (U), Terwilliger (C), all tied for 1st. Height 5 ft. 7 in.

Pole vault: Shepard (H) 1st; Batts (C) 2nd; Jamieson (U), Baker (U), McDougall (C), tied for 3rd. Height 11 ft. 6 in. Record.

Broad jump: Baker (U) 1st; Mallen (U) 2nd; Lee (H) 3rd; Swarthout (C) 4th. Distance 21 ft. 7 in.

Shot put: Swarthout (C) 1st; Jessup (H) 2nd; Stoller (U) 3rd; Ainsmith (C) 4th. Distance 38 ft. 11 in.

Hammer throw: Jessup (H) 1st; Ainsmith (C) 2nd; Woolnough (H) 3rd; Nielson (C) 4th. Distance 135 ft. 2 in. Record.

Score of meet: Colgate 58 1-2; Hamilton 41; Union 38 1-2; St. Lawrence 5; Hobart 0.

Officials of meet: Referee, Foley, (Hobart); clerk of courrse, Leonard (Colgate); starter, Evans (Williams); scorer, McIntyre (Colgate); judges of finish, Jones (Colgate); Wood (Los Angeles Athletic Club); Merrill (Colgate); Prof. Chase (Hamilton); Templeton (Colgate); anouncer, Nolan (Colgate).

Ol' Dame Rumor set on Prex's front lawn in nuthin' but her pajamas all night tryin' ter dig up a choice bit of intelligence fer the college boys tew chew on. She got hiccoughs, but toward mornin' heard Risty an' Supe a-gettin' back frum Utiker. They were a-talkin' just as if Prex wasn't tryin' tew get a little sleep. Nacherally, the Old Dame, not havin' auditory difficulties, gleaned lots uf intelligence.

'Twas Risty let out the hull dum thing which, bin' let out gave the Ol' Dame tango-maxixes fer sum time to cum. She ontoirely stopped toothachin' around and ejst gummed her ears t' the dope that was bein' passed.

Before goin' further we orter explain that this wuz strictly private an' so don't go round tellin' everybody about it. Whisper it to 'em. Well, what Chub sez to Supe wuz one of them allegorical elysiums that he hearn tell of in Mr. Morey's Utopy. One of them country bazaar affairs, y'know.

Well, Chub he remarks that bein' as how the C. K. Chase mansion wuz tew be vacant next fall, due to the absence of the prefesser and mrs., why should not he, meanin' Supe, an' Baldy and Bill Marsh and Chub hisself apply fer the vacancy and open a' partment up thar to promote fellowship in the Faculty. Supe seemed int'rested an' wanted to know if Trot would furnish cigars and chewin', speakin' in his usual soft tone.

Ol' Dame let out a 'orrible shout an' fled in her pajams.

We conclude it will be some time.
